

**THE 240th ANNUAL
PHILADELPHIA ST. PATRICK'S DAY PARADE**
Founded in 1771, 2nd Oldest Parade of any kind in the USA
IN HONOR OF THE PATRON SAINT OF IRELAND
SUNDAY, MARCH 14, 2010 – 11:00 AM

3/10/2010 FINAL

Dear Friends:

IT IS DAYLIGHT SAVINGS TIME SO WARN YOUR MEMBERS EARLY AND OFTEN!

Enclosed please find the Line of March for the Philadelphia St. Patrick's Day Parade. **THE MAPS ARE THE LAST 4 PAGES.** Please read the rules and regulations (especially about throwing candy or any items) and advise those in your groups. **One person from each group must check in with one of the Marshals in your Division upon arrival, or you will not be announced at the reviewing stand or on TV.**

Do not schedule any after parade celebrations to start before 3:30 PM or more than likely you will be paying for dead time. Everyone has to take turns in the front and back of the parade.

Insurance regulations require that all vehicles in the line of March be insured and have your insurance cards taped to the dashboard on the driver side of the vehicles. Animals are **NOT** permitted in the Line of March.

Please copy the staging and bus pick up maps for the members of your groups and drivers. In the event of inclement weather, or an act of God, please listen to KYW-1060 AM Radio for information. I will also post on the website but I leave at 5:30 AM so I will do my best. There is **NO** rain date scheduled.

In honoring Saint Patrick, the patron Saint of Ireland, we ask for your patience and understanding, and please say a prayer for safety of all those attending, good weather, and a successful and entertaining parade.

I have enclosed a copy of the rules and regulations please familiarize yourself with them. I have also enclosed some suggestions for making this parade successful and other information you will find useful.

DO NOT DRIVE ANYTHING OVER THE GREEN WOOD DANCE FLOOR !

Do me a BIG favor. Use common sense! When you are waiting at the reviewing stand and the group in front of you is performing, please stop your music so you do not drown out the group in front of you! I can't believe how many times I have to run up to a car or a band to tell them to stop the music. Have a little empathy for the group in front of you and the group behind you will do the same.

The Philadelphia St. Patrick's Day Parade will be held on Sunday March 14, 2010, starting at 11:00 AM SHARP at 16th & JFK. **IT IS DAYLIGHT SAVINGS TIME SO WARN YOUR MEMBERS EARLY AND OFTEN!** After you check in, there will be an air horn with 5 short blasts to signal 5 minutes to the start, at 10:55 AM, and 1 long blast to signal the start of the Parade. The first 4 divisions, please have your group ready to march at 11:00AM. This letter offers final suggestions to make this parade successful.

CBS 3 has assembled the winning team of Kathy Orr, Susan Barnett & Bob Kelly, that is such an asset to the Irish Community. Check their website the day after the parade for Award Winners, information, and photos at **CBS3.com** on the **St Patrick's Day Parade link**. **Click the "Contact Us" tab, use it, and tell them what a great job they do covering the parade!** Our partnership with **CBS 3** has developed other improvements that you will further promote the parade. They will be televising the parade live on Sunday, from 12:00 to 3:00 PM on **CW Philly 57** and also live on the internet at CBS3.com. We will also re-broadcast the Parade on St. Patrick's Day from 9:00AM to Noon on CBS3 and also from 2:00 PM to 5:00 PM on **CW Philly 57**. The week before the parade, each day on the 4:00 & 6:00PM News, **CBS 3** will air vignettes about groups in the parade. **Please notify your groups and friends to watch and "make the switch" to CBS 3!**

Four years ago we had 98 groups and now have **217!** If I am going to reach my goal of having all groups finished by 3:00 PM, I need your help. The only groups permitted to stop and perform are the Irish dance groups and marching bands, which get 1 & ½ minutes to perform. All other groups are to continue moving past the reviewing stand. If your group stops at the stand, without clearing it with me, then you will be affecting the groups at the rear of the parade. Rest assured that next year you will find your group at the rear of the parade, so you can see what it's like. Please be courteous to all the groups and march right by the stand.

I have posted our **Judging Criteria** on the website. The reviewing stand is on the left, so your floats and units should all be prepared to face left (Driver's side of Vehicles) going by the reviewing stand. The maximum height for floats is **13'6"**. In the event of inclement weather, or an act of God, please listen to KYW-1060 AM Radio for information. There is no rain date scheduled (or necessary, Kathy Orr has promised us good weather). We will not refer to it as "cold" Sunday; we will stay positive and call it **"Refreshing"!** **Please do not call my house the morning of the parade; I leave at 5:30 AM!**

In honoring Saint Patrick, the patron Saint of Ireland, we ask for your patience and understanding, and please say a prayer for good weather, safety of all those attending, and a successful parade. If you have any questions, please contact me at info@philadelphiastpatsparade.com. The award winners will be posted on Monday morning at our Website www.philadelphiastpatsparade.com. Thank you for your cooperation. Parades are not successful without dedicated people, and you are the reason why this parade is the best!
